

Sony Ericsson - W580i - Phone summary

Street-style Walkman® phone

When you're out and about, you can have your favorite music with you wherever you go. And your picture library and favorite Web sites. W580i is for active people.

Shake to shuffle - Shake control

It's all in your moves. With Shake control, you select a song from your playlist randomly at the flick of your wrist.

Complete music kit

In the W580i kit, you get a stereo headset and everything you need to get your music from your computer to your phone. Connect, choose and transfer.
